A unique opportunity to learn Hindi Language and connect with Indian culture.

Camp Theme for this year is “SHOW and TELL: MY WORLD”

Children like to talk about themselves and tell others what is so unique that makes them who they are. During the program students will get an opportunity to connect with culture and learn Hindi through topics and issues that are personally meaningful to them. Students can talk about their aspirations, dreams and how their families and culture influences them. They can talk about their heroes and any social or environmental issues that are important to them. They will be interacting with native heritage community members who can be their parents, grandparents, siblings, friends and relatives. Students will have an opportunity to interview them to learn about them while telling them about themselves.
